Go Light Your World Foundation at work... Up with Downs!

by Kathy Troccoli

"Let's do something greater than ourselves.
We can do it together.
Lighting our world one heart at a time—in all areas of need." - KT

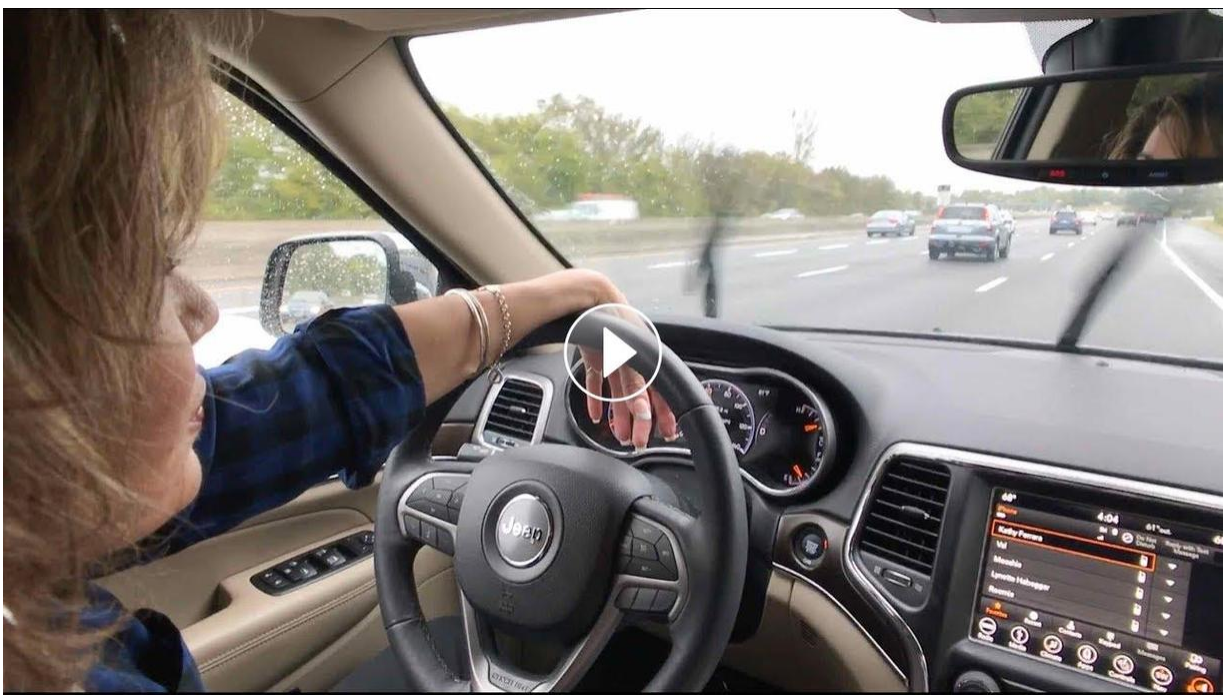

Dear Friend,

October is Down Syndrome Awareness month.

I was privileged to spend the day at Gigi's Playhouse, a Down Syndrome Achievement Center. They opened their doors for me to interview families who despite their circumstances are living BIG lives.

Come along with me to meet them and hear their extraordinary stories.

LET'S GO!

Join me in continuing to light our world...

Creating Awareness with Human Interest Stories:

For the month of October, Go Light Your World Foundation is making a donation to Gigi's Playhouse. This will support them as they continue to provide FREE classes to enrich the lives and future of Down Syndrome families.

GLYWF is also donating to a Down Syndrome family in financial need to help support the healthy future of their child.

Through your donation to the *Go Light Your World Foundation*—you and I will offer comfort and hope.

Thank you so very much,
Love,
KT
